

FAMILY DISCUSSION

During **Extreme Week TAKEOVER** use this tool to continue important conversations at home.

Look over each day and choose how to engage in a 5-10-minute conversation as a family.

Start these conversations by letting your child lead the way. Ask an open-ended question, such as "How do you feel about Extreme Week TAKEOVER today?" or "What can you tell me about Extreme Week TAKEOVER today?" to get them talking.

End the conversation in prayer and thank your child for sharing with you.

FAMILY DISCUSSION DAY 1

**Your child learned about seeing
God in creation.**

Romans 1:20

What can you see in your daily life that shows you
that God is real?

God created everything with a purpose—what do you feel like
His purpose could be for your life?

FAMILY DISCUSSION DAY 2

**Your child learned about Peter saying
that Jesus is the Messiah.**

Matthew 16:13-20

Do you have any questions about who Jesus is?

Have you ever done anything that you feel you should ask Jesus
for forgiveness for?

Would you like to talk about that now?

FAMILY DISCUSSION DAY 3

**Your child learned about the greatest
commandment.**

Matthew 22:36-40; 1 Corinthians 13

Tell your child some things that they do that show you that they
love you, then ask "how do I show you that I love you?"

How can we show that love to others?

Why is it important to love God first?

FAMILY DISCUSSION DAY 4

**Your child learned about applying FOCUS
to their life.**

*Remind your child that they can always trust you with
faith conversations and questions.*

How can you tell other people about Jesus?

Has this experience changed the way that you look at God?
