

SNACKS | DAY 4

Bible Story: Review of Days 1, 2, & 3

Bottom Line: FOCUS on what you can see, TALK to others about what you believe, and LIVE for God!

1. EXTREME MILKSHAKES

What You Need:

- Mason Jars or clear cups (can be small or large depending on your age group)
- Milkshakes; Option: can be bought or homemade (vanilla ice cream and milk) OR made/bought ahead (not much more than an hour ahead) and stored in fridge
- Frosting (may need to buy more frosting/cream cheese. It will depend on how much you have left over from the week and what size cup you are using. Plan on 1–2 tablespoons for a small cup and 2–4 tablespoons for a large cup.)
- Dippers; leftover ingredient (chocolate chips, marshmallows, crushed pretzels, crushed graham crackers, crushed cookies, etc.)
- Sauces (hot fudge, caramel, strawberry sauce, or a combination)
- Whipped Cream (can use bought or homemade; Kool Whip)
- Toppings (use leftovers from the week; you may need to buy more toppings if you anticipate not having enough. Will depend on the size of your group.)

What You Do:

- Spread frosting around the top of the cup on the outside.
- Dip the frosted part of the cup in small candy, pretzels, crackers, etc.
- Squeeze hot fudge, caramel, or strawberry sauce down the sides of the jar/cup in stripes, swirls, or another design. Pro Tip: use a squeeze bottle of warm sauce or use a knife/spatula to smear it on the inside of the cup.
- Pour milkshakes into cups, but not all the way to the top!!!
- Top with whipped cream.
- Continue to add toppings from earlier snacks and remind children what each topping represented (light and dark, fish, animals, trees, people, popcorn for "pop talks", Twizzlers pull–n–peels for questions, strawberries for hearts, etc.)

2. EXTREME CUPCAKES:

What You Need:

- Unfrosted Cupcakes (can be store–bought or homemade ahead of time)
- Frosting (may need to buy more frosting depending on how much you have left over from the week)
- Toppings (use leftovers from the week; you may need to buy more toppings if you anticipate not having enough. Will depend on the size of your group.)

What You Do:

- Spread frosting on cupcake.
- Top cupcakes with any leftovers from the week.
- Remind children what each topping represented (light and dark, fish, animals, trees, people, etc.)
