

# SUMMER

## Bible

### READING PLAN

At Mosaic we believe that the Bible is God's Word to us and that all of scripture points towards Jesus. Reading the Bible will help your kids know who God is. When kids spend time in the Bible, kiddos learn about God's character and His deep love for them. As kids know God their trust in Him grows into a relationship with Him. Trusting in God leads your kids to live their best life!

Check out the MoKids! Bible Reading Plan for your family to dive into this summer! We are challenging your kids to spend 5 minutes reading the Bible and 2 talking to God every day! We've also provided questions you can use to talk with your kiddo about what their reading in the Bible! You can also join our community of parents on the MoKids! Facebook Group as we read through the plan together!
